The screenshot shows the Keenotes website homepage with a blue header. The header includes the Keenotes logo, navigation links for Features, Sync, Preview, Blog, and a language switcher, along with a "Download" button. The main content area has a large blue background with white text that reads "Capture Inspiration & Flash Thoughts Instantly." Below this, a subtext states "Keenotes is your private short-note vault. Designed to catch fleeting ideas before they vanish." At the bottom, there are two buttons: "Download for Free" and "Free Trial". A yellow arrow points from the "Free Trial" button towards the "Free Trial" section of the text above.
